BEDROOM REDUCTION DECLARATION

I understand the bedroom calculation awards a separate bedroom for each member of my household who is over the age of sixteen. I have household members over the age of sixteen that can share a bedroom and wish my Homefinder Somerset application to be amended so I am eligible to express interest on properties that are smaller than the properties the current bedroom calculation allows. I have been made aware that my current banding could be affected and should I reapply for social housing in the future, the reduction in bedrooms request will be taken into account.
