

# OPEN EVENT ONLINE

Mendip View, Axbridge

Join us for a short presentation and Q&A session on our upcoming homes at Mendip View, Axbridge. Stonewater will be launching 20 new two, three and four bedroom houses for shared ownership and affordable rent in partnership with housebuilder Fisher and Dean.

Each of these modern-style homes will be fitted with Wondrwall technology, a gas-free intelligent heating system which creates significantly lower CO2 emissions along with lower utility bills.

## Where:

Online – see the link below or scan the QR code

## When:

Wednesday 26th January, 5pm
