

## NEW DEVELOPMENT AT HUISH MEWS, WASHFORD

Falcon Rural Housing Limited

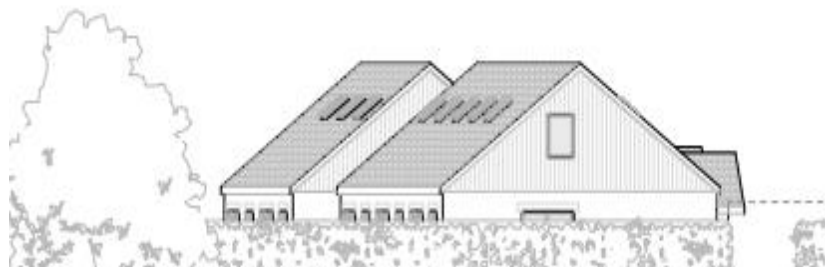

The development of **five** social rented units of accommodation on the old allotment site are well under way and we are now thinking about finding local people who may be interested in our new homes.

We have two 2-bedroom homes and three 3-bedroom homes available.

Applicants must have a local connection to Old Cleeve/Washford or adjoining parishes.

Please contact us for an application. The properties will also be advertised on Homefinder Somerset in November.

Please register now at [www.homefindersomerset.co.uk](http://www.homefindersomerset.co.uk)

If you are interested in being a new tenant for our new homes, or you would like any information, please contact us for more information.
